PCI Express Riser Card - x16 Left Slot Adapter for 1U/2U Servers

StarTech ID: PEX16RISER

This x16 PCI Express Riser Card lets you install a full-sized PCI Express card in a 1U or 2U server case, eliminating the expense of purchasing small form factor PCIe cards.

Applications

- Install an x16 PCIe card into a 1U or 2U server case
- Upgrade a 1U server with additional IO capabilities, such as a storage controller, serial ports, USB, networking, etc.
- Add dedicated graphics capabilities to a 1U server.
- Install an x16 PCIe card into some slim/SFF computer cases

Features

- Designed to fit most 1U server chassis'
- Complete pass-through design supports the latest PCI Express speeds
- x16 PCI Express female connectors accepts x16/x8/x4/x1 cards
